Provisional Bookings & Confirmations

Once you have decided on your preferred date let the hotel hold the available date on a provisional basis. This will enable you to make your arrangements with peace of mind. If we do not hear from you after four weeks (or agreed prior time or unless someone else is interested in the date) a member of staff will be in contact with you to obtain confirmation of your intentions. If we are unable to obtain an answer from you then your provisional booking will automatically be released.

At confirmation stage we will require a signed completed booking form plus a non-refundable deposit of £500.00. A pro-forma invoice based on your requirements will be presented to you for payment after the final details have been discussed with our Function Manager four weeks prior to the Wedding. This invoice should be paid in full 10 days prior to the date of the Wedding Reception. Any balance remaining after the Wedding must be paid on departure.

We kindly advise you that all prices are valid for bookings until 31st December 2012 and may be subject to change thereafter.

Our prices are reviewed annually and provided no major increase in vat occurs, normally this means an increase to cover rising costs. In recent years this has resulted in modest increases.
